Introduction

Thank you very much for downloading the F2 Editor.

This document explains how to install and uninstall the F2 Editor.

See the F2 Editor Operation Manual for information about using the application.

Installing and Startup

For Windows

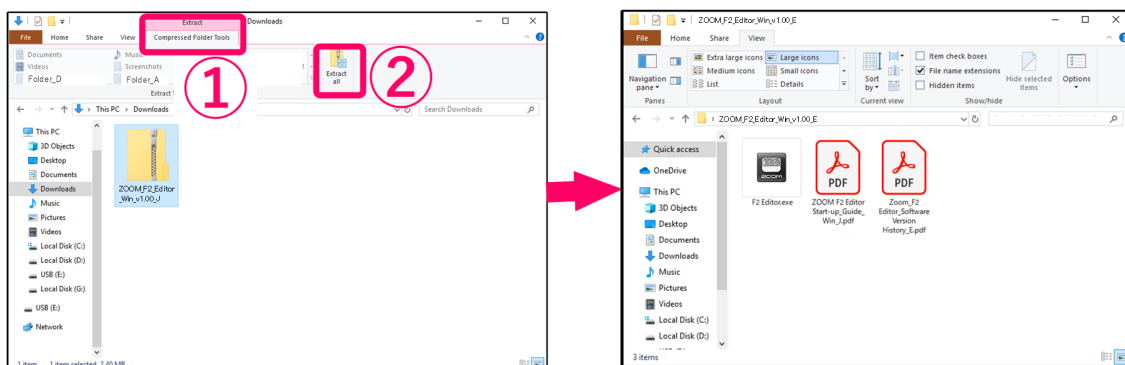

1. Installing the executable file

Download the ZIP file containing the executable file from F2 download page.

2. Extracting the ZIP file

Select the folder where you downloaded the ZIP file. ① Click "Compressed Folder Tools", then ② "Extract All". The ZIP file will be extracted.

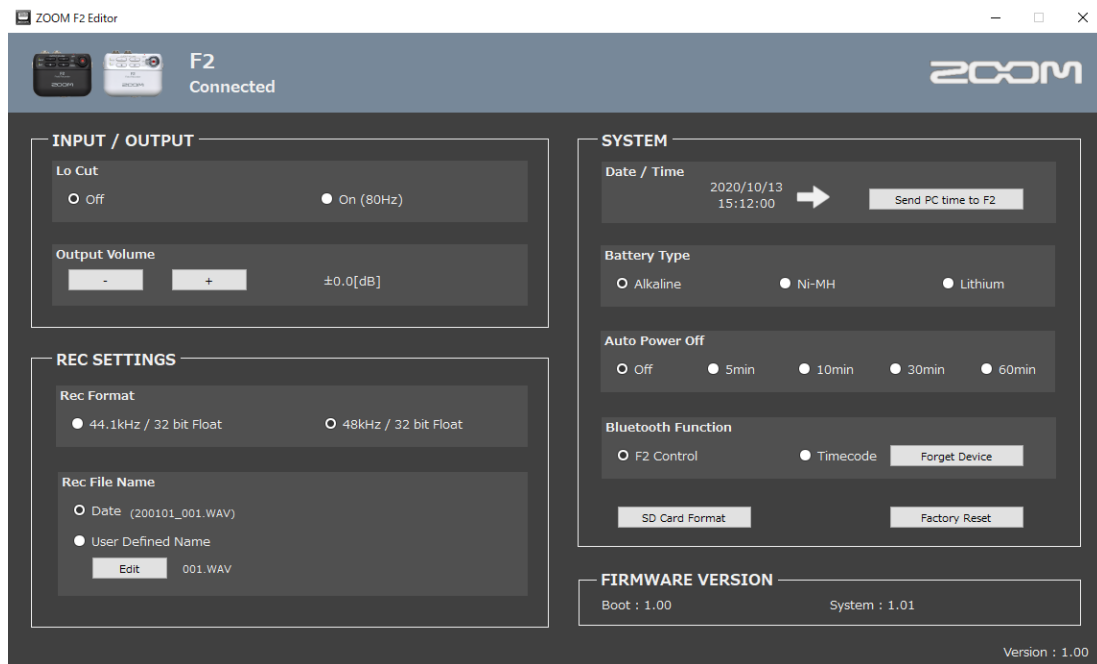

3. Connecting the F2/F2-BT

Turn the F2/F2-BT power on. Use a USB cable to connect the F2/F2-BT and the computer.

4. Starting the F2 Editor

Double-click on “F2 Editor.exe”. This launches F2 Editor.

For Mac

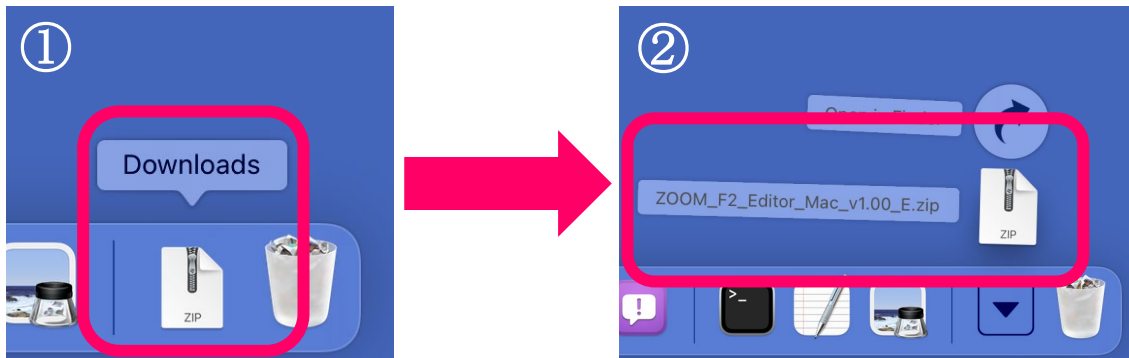

1. Installing the executable file

Download the ZIP file containing the executable file from F2 download page.

2. Opening the downloaded file

After downloading, click "Downloads" displayed at the bottom of the screen. Then click ② to open the downloaded file.

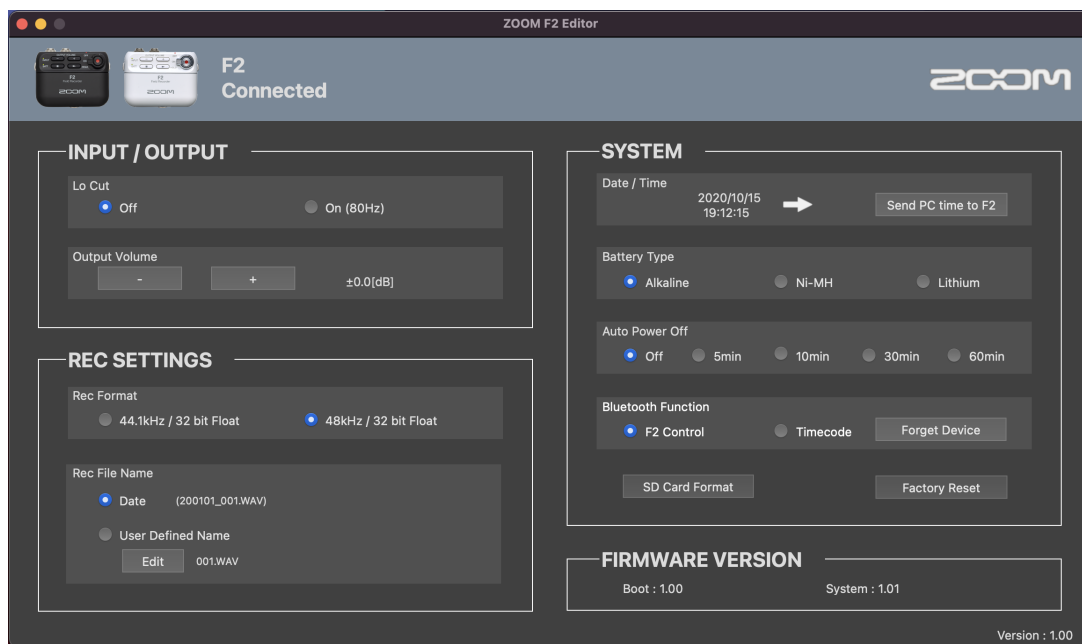

3. Connecting the F2/F2-BT

Turn the F2/F2-BT power on. And use a USB cable to connect the F2/F2-BT and the computer.

4. Starting the F2 Editor

Click on “F2 Editor”. This launches F2 Editor.
