Version 1.10

Release to add the following function and fix the following issues in February 2025

■ Added function

1. The function of the STOP switch when held can now be set (HOLD FUNCTION).

■ Fixed issues

1. WAV files created in Logic Pro or Pro Tools could not be imported.
2. Even if AUTO SAVE was set to OFF or SETTING ONLY, silence would be saved whenever a phrase was cleared.
3. Other minor issues have been fixed.

Version 1.05

- Released as mass production in December 2024
